Target Market

Target Market:

Class of consumers that comprise the target market for the product

Consumer

Description:

This describes consumers in the target market

Objectives & Needs

A person that may seek a deposit account for:

- holding funds for a fixed term with no ability to access funds during the term without loss of interest; and
- earning interest on those funds at a fixed interest rate.

Term Deposit

Financial Situation

A person that may have financial capacity to deposit funds into the account and pay applicable transaction fees (as set out in the terms and conditions).

Product Description:

This describes the product

A term deposit account with the following key attributes:

- the ability to earn interest on deposited funds for a fixed period at a fixed rate and the inability to withdraw funds during the fixed period without loss of interest; and
- the requirement to deposit funds and pay applicable transaction fees.

In general, it is only available to consumers that meet standard eligibility criteria.

Appropriateness Statement:

This explains why the product is consistent with the likely objectives, financial situation and needs of the target market

The product is appropriate for the target market on the basis that the key attributes of the product listed in this determination directly address the objectives, financial situation and needs of consumers in the target market as described in this determination.

Distribution Conditions:

The conditions and restrictions on the distribution of the product

Marketing and Promotions

This condition applies to marketing and promotional materials that describe the product

Condition 1

A distributor must only market and promote the product through:

- advertising on television, radio, the internet (including social media), billboards and physical banners, brochures and other marketing material available to the general public;
- in person recommendations to access marketing material (including in branch communications and through referrer networks); and
- any other issuer approved communication channels (including telephone, email and social media).

This condition is appropriate as the target market is wide.

Retail Product Distribution Conduct (other than Marketing and Promotions)

This condition applies to all conduct (other than marketing and promotions) such as issuing, arranging and

Condition 2

A distributor must only engage in retail product distribution conduct (other than marketing and promotions) through:

- in person communications (including in branch and through referrer networks);
- the issuer's and other approved third party digital platforms;
- any other issuer approved communication channels (including telephone, email and social media).

This condition is appropriate as the target market is wide.

Term Deposit

providing disclosure material

Condition 3

A distributor must only engage in retail product distribution conduct (other than marketing and promotions) if it has identified the key difference between:

- the product; and
- other deposit products issued by the issuer that are distributed by the distributor.

This condition is appropriate as it requires a distributor to confirm that the consumer is in the target market.

Review Date:

The first review, and each ongoing review, must be completed within each consecutive 24 month period from the Start Date.

Review Triggers:

The events and circumstances that would reasonably suggest the determination is no longer appropriate The issuer, and any distributor of this product, must cease retail product distribution conduct in respect of this product when the issuer determines a material event or circumstance has occurred in relation to:

Material Complaints	material complaints (in number or significance) in relation to the terms of this product and / or the distribution conduct.	
Product Performance	evidence, as determined by the issuer, of the performance of the product, in practice, that may suggest that the product is not appropriate for the target market.	
Distributor Feedback	reporting from distributors, or consistent feedback from distributors on the target market which suggests that the determination may no longer be appropriate.	
Substantial Product Change	a substantial change to the product that is likely to result in the determination no longer being appropriate for the target market.	
Significant Dealing	a material pattern of dealings in the product or of distributor conduct that is not consistent with the determination.	
Notification from ASIC	a notification from ASIC requiring immediate cessation of product distribution or particular conduct in relation to the product.	
A distributor that engages in retail product distribution conduct in respect of this product
